WEEKLY WEATHER REVIEW
SHOWS GOOD COTTON CROPS
Temperatures Somewhat Below Normal in Western and Eastern Portions of Belt.

(By Associated Press.)
WASHINGTON, July 23.—The temperatures averaged somewhat below normal in the extreme western and the more eastern portions of the cotton belt, but about normal elsewhere, according to the weekly weather review issued by the Weather Bureau today. The cotton crop is in satisfactory condition in central and northern Georgia, but poor in the south, while in Alabama it ranges from fair to good. Heavy rains were detrimental in the Carolinas and in Florida. Weevil damage is increasing in many southern sections of the eastern portion of the belt, but complaints of this pest were not so numerous as previously in Texas.

Except in Virginia and North Carolina, where heavy rains and lack of sunshine caused much deterioration, tobacco is making satisfactory progress. The product was being marketed extensively in South Carolina.

Are You Getting BALD?

Thousands of people today owe their fine heads of hair and clean, healthy scalps to the use of Sergeant's Mangle Medicine.

Sensible people are sick and tired of hair "tonics" and "cures" of any kind. A pleasant odor and whose excess of alcohol dries the scalp, makes dandruff come faster than ever and makes the hair dry and brittle. It is logical that what will grow hair on a dry scalp, what will keep his skin clean from parasitic hair diseases will also benefit the human hair and scalp. Thousands have actually proved this—so can you.

If you are afflicted with dandruff, itching scalp, itching eyes, itching nose, itching throat, itching skin, itching anywhere, try Sergeant's Mangle Medicine. The results will astonish you. Sergeant's Mangle Medicine contains no alcohol. Has a delightful clean, refreshing odor. If you are not absolutely convinced that Sergeant's Mangle Medicine is the best preparation you have ever tried—if it fails to keep your scalp clean and refreshed and your hair soft and glossy, you can return the bottle and get your money back. Manufactured by Polk Miller Drug Co., Inc., Richmond, Va. Recommended by physicians, approved and applied by hairdressers and barbers in the scientific treatment of scalp and hair. Ask for Sergeant's Mangle Medicine. Sold at 50c. Every druggist, department store and sporting goods store has Sergeant's Mangle Medicine in stock.—Adv.

PAGEANT-DRAMA STAGED BY UNIVERSITY STUDENTS

Summer School Members Present "Shores of Happiness" at Charlottesville.

NECK BROKEN, BUT GIRL LIVES

Bristol Young Woman Suffers Injury in Fall From Cherry Tree—Suffragists Form Association at Fredericksburg—State News Notes.

(Special to The Times-Dispatch.)
CHARLOTTESVILLE, Va., July 23.—After being postponed for over a week, because of rain, the pageant-drama "Shores of Happiness" was presented this evening by students of the summer school at the University of Virginia. The drama, prepared for the occasion by Mrs. Rice Galtier, of Fairhope, Ala., was a spirited working out of the heroic history of Odysseus and Calypso.

The cast of characters included many professors and members of the university. Professor Thomas Fitzhugh was Alcinoos, the king of Phaeacia, while Miss Virginia Page was Aretia, the queen. Especially pleasing were the interpretations by Miss Nina Weeden, Oliver, her work in the character of the nymphs and in the one called "War Broughts," exhibited an easy grace seldom seen outside of the famous Russian ballet. Next in popularity came the "Lily Dance," led by Miss Page, and the "Ball Dance." In all there were nearly 250 dancers in the pageant.

The meeting was largely attended by farmers and members of their families and by a number of citizens from Fredericksburg.

DECLARED SANE, "KID" SHAW FACES ROBBERY CHARGES

Mon Confined in Ward for Criminal Insane Returned to Petersburg Jail.

(Special to The Times-Dispatch.)
PETERSBURG, Va., July 23.—Kid Shaw, a negro with a long police record, under indictment for highway robbery, who had been confined in the criminal ward of the Central State Hospital since the last of April under observation for insanity, was yesterday afternoon returned to the city jail by the hospital authorities, having been declared sane. He will now have to face trial in the Hustings Court on two charges of highway robbery, and his trial has been set for August 6. He is alleged to have raised several crap games and to have held up and robbed the players.

Condition Still Serious.
The condition of Miss Ruby Bennett, who was shot at her home in Hopewell last week by Jack Foreman, of Newburg, N. Y., who afterwards committed suicide, is still serious, and doubts are expressed as to her recovery. She is in the Petersburg Hospital, partially paralyzed from the effects of her injuries.

General News Notes.
Several minor accidents have been caused by the rains on the Atlantic Coast Line Railroad, but no accidents have occurred, and trains are running on schedule time. John Wardwell, a discharged colored soldier, complained to the police that he had been swindled out of his watch and money by two negroes, strangers to him. The soldier fell a victim to the "pocket book" game, and continued to resist the temptation, as he thought to make money so early. Reports from the adjacent counties represent the tobacco crop as having been seriously damaged by the continued rains. The lands are flooded and the plants almost drowned. The Petersburg base ball team has recently been strengthened by the addition of several first-class players, who are expected to report in time to take part in the series of games with Richmond.

Provides Full Pardon for McNally.
(By Associated Press.)
WASHINGTON, July 23.—Full pardon for Charles A. McNally, a private of the engineers, given a six months' sentence for complicity in painting the German colors on the monument erected at Andersonville, Ga., to Henry Wirz, commander of the camp there during the War between the States, is provided for under a joint resolution introduced today by Representative Wood, Republican, Indiana.

WHY SOCIETY WOMEN WASH THEIR OWN HAIR
They do not because it is a fad, but because they wish to obtain the greatest possible hair beauty and be sure they are not using anything harmful. They have found that in washing the hair it is never wise to use a makeshift, but is always advisable to use a preparation made for shampooing only. Many of our friends say they get the best results from a simple home-made cantharox mixture. You can use this at a cost of about 3 cents a shampoo by getting some cantharox from your druggist and dissolving a teaspoonful in a cup of hot water. This makes enough shampoo liquid to apply to all the hair instead of just the top of the head, as with most preparations. Dandruff, excess oil and dirt are dissolved and entirely disappear in the rinsing water. Your hair will be so fluffy that it will look much heavier than it is. Its luster and softness will also delight you.—Adv.

Put Up Every Pound of Fruit You Can Get This Summer

Many a woman hesitates to try putting up fruit at home. She fears she will only waste expensive materials.

It really is very simple. Just make your preserving syrup with ½ Karo (Red Label) and ½ sugar instead of sugar alone.

You can then be as sure of your results as the woman who always has "luck" with her preserving.

Nice fine, clear Karo Syrup has a natural affinity for the fruit juices. It blends the sugar with the juice—brings out the rich "fruity" flavor, and insures firm jams and jellies that never "candy" in the glass.

A well-filled fruit pantry will give you much pleasure this winter, when fresh fruits are scarce and high, if you just use Karo Syrup with your sugar.

For Cooking, Baking and Candy Making Karo (Red Label) is used in millions of homes. In all cooking and baking recipes use Karo instead of sugar. It is sweet, of delicate flavor, and brings out the natural flavor of the food.

FREE Preserving is easy when you have the sixty-eight page Corn Products Cook Book handy. Wonderful recipes—easy to follow. Beautiful illustrations. Write us today for it. It is free.

GOVERNMENT WILL RETAIN CONTROL AT LEAVENWORTH
Secretary Baker Says Strike of 2,000 Prisoners Will Delay Proposed Amnesty.
(By Associated Press.)
WASHINGTON, July 23.—Authority of the government will be fully maintained at Leavenworth barracks, where 2,000 prisoners are on strike. Secretary Baker said today. Mr. Baker expressed regret that the "ill-advised" action of the men would result in delay in consideration of many claims for amnesty.

The demands of the strikers, reports to the War Department said, include permission for a delegation to present a petition to the President asking general amnesty for the prisoners, the immediate return to Leavenworth of two prisoners recently transferred to another institution, and improved sanitary facilities.
